**District:**

Annex Charter School District

**City, State and Zip Code:**

Ontario, OR 97914

**Address:**

402 Annex Road

**School:**

Annex Charter School

**District Information/Community Description:**

The Annex School District is a small, rural district located near Ontario, Oregon and Weiser, Idaho. Although we have an Ontario address, we are closest to Weiser. Our one school became an Oregon Charter School about five years ago. Our school contains students in grades K-8 and several of our students attend high school in Weiser, Idaho after leaving eighth grade. We currently have four classrooms with a total of about seventy students. This provides each of us with opportunities to know each student and family in our school community. We are located in rural Eastern Oregon and close to the Hells Canyon Recreation Area. Many residents choose to live in this area due to the warm summers, many days of sunshine and proximity to many outdoor activities. From the Annex area, one can be in the timber of Eastern Oregon or Northwestern Idaho in ninety minutes, or less. We are also located about seventy five minutes from Boise, Idaho, which offers many features found in a progressive, friendly, small city.
